

# Informed Consent – Massage Therapy

1. I hereby request and consent to the service of massage therapy and other massage procedures, including various forms of massage therapy, hydrotherapy, range of motion, stretches and orthopedic testing on me by the Registered Massage Therapist.
2. I understand that I will have an opportunity to discuss with the massage therapist and/or with other office or clinic personnel, the nature of massage therapy treatment and other procedures.
3. I understand the results may not be guaranteed.
4. I understand that the therapist is not a physician and does not diagnose illness or disease or any other physical or mental disorder. I clearly understand that massage therapy is not a substitute for a medical examination. It is recommended that I attend my personal physician for any ailments that I may be experiencing.
5. I understand, as in all health care, in the practice of massage therapy there can be risks to treatment, including but not limited to, tenderness, bruising, light headedness or dizziness. I do not expect the massage therapist to be able to anticipate and explain all risks and complications and I wish to rely on the massage therapist to exercise judgment during the course of the treatment which the massage therapist feels at the time, based upon the facts then known, and is in my best interests.
6. I acknowledge and understand that the therapist must be fully aware of my existing medical conditions. I have completed my medical history form as provided by my therapist and disclosed to the therapist all of those medical conditions affecting me. It is my responsibility to keep the massage therapist updated on my medical history. The information I have provided is true and complete to the best of my knowledge.
7. I understand that I will be draped at all times and the areas undraped will be secure to insure there is no indecent exposure. If undrapping my gluteals/hip rotators is significant in the treatment I do understand that it is part of the therapy. I will also have the privacy to undress/dressed and the therapist will knock and wait for my reply upon entering.
8. I understand that if I have or in future begin any sensitivities to lotions, oils I will notify my therapist.
9. **I understand that I have the right to terminate the treatment at any time, and the right to alter the therapist's pressure or techniques during the massage treatment.**
10. I am aware there are further alternatives offered such as Chiropractic, Acupuncture, Reflexology and Physiotherapy, etc.
11. I have read the above noted consent and I have had the opportunity to question the contents and my therapy. I understand that all treatments and information collected is held in confidentiality. By signing this form, I confirm my consent to treatment to the above named procedures. I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment.
